DISCLAIMER

Our range of online services

We, Avnet Technology Solutions Ltd, have compiled all the information on this Web site and in its components to the best of our knowledge and belief. The information given was correct on the date stated in each case. Nevertheless, we are not liable for the currency, correctness, completeness, quality or technical precision of the information provided. Likewise, Avnet Technology Solutions Ltd. shall not be liable for any damage caused by computer viruses while calling up or downloading data from this Web site.

All offers made are subject to change without notice and non-binding. Avnet Technology Solutions Ltd. expressly reserves the right to change, supplement, delete or cease publication of parts of the pages or the entire range on offer, temporarily or definitively, without special announcement.

References and links

Where Avnet Technology Solutions Ltd. makes direct or indirect reference via links to third-party Internet pages whose content is beyond our control, Avnet Technology Solutions Ltd. shall be liable only if we have precise knowledge of such content and it is technically possible and reasonable for us to prevent its use should it be unlawful. The respective provider or operator of the pages shall invariably be responsible for the content of the pages linked to. The linked pages were checked for any possible infringements of the law at the time they were linked. No unlawful content could be identified at the time the link was made. Ongoing checks on the content of pages linked to are not reasonable, however, in the absence of specific evidence of an infringement of the law. Should we become aware of infringements of the law, we shall remove such links without delay.

Copyrights and trademarks

The texts, images and graphics on the EIZO Web site, and their arrangement, are protected by the law on copyright and other laws. They may only be used, completely or in extracts, for personal and non-commercial purposes. An exception to this is the use of press information taken from "Press Info", if and in so far as these artwork items are editorially associated with Avnet Technology Solutions Ltd. If, in this context, content and components of the EIZO Web site are permissibly stored, reproduced or distributed, reference must be made to the copyright of Avnet Technology Solutions Ltd. Some of the images and newspaper and magazine articles featured on the EIZO Web site may also be subject to third-party copyright.

Trademarks

The designation "EIZO" is an internationally protected trademark. Other business designations, company logos and product names named on the EIZO Web site may also be protected trademarks of their respective owners.

Data protection

Where there is an option within our Internet services to input personal or business data (E-mail addresses, names, addresses etc.), the revelation of such data by the user is explicitly voluntary. The data necessary for the processing of any enquiry are stored while it is being processed and for that purpose only.

The use by third parties of contact data such as postal addresses, telephone and fax numbers and E-mail addresses, or comparable information revealed in the context of the Imprint, for the purpose of sending information not explicitly requested is prohibited. We expressly reserve the right to take legal steps against the originators of spam mails infringing this prohibition.

Legal effectiveness of this disclaimer

This disclaimer is to be regarded as part of the Internet range of services from which a reference was made to this page. Should parts or individual formulations in this text not correspond, no longer correspond, or not completely correspond with the applicable legal position, the content and validity of the other parts of the document shall remain unaffected thereby.
